- Almost 300 Expressions of Interest (Eoi)

Top 3. Eoi by Panel Name

Products and Processes Engineering

Fundamental Constituents of Matter

Diagnostic Tools, Therapies and
Public Health

Top 6. Eoi by HI Countries

United Kingdom (63)

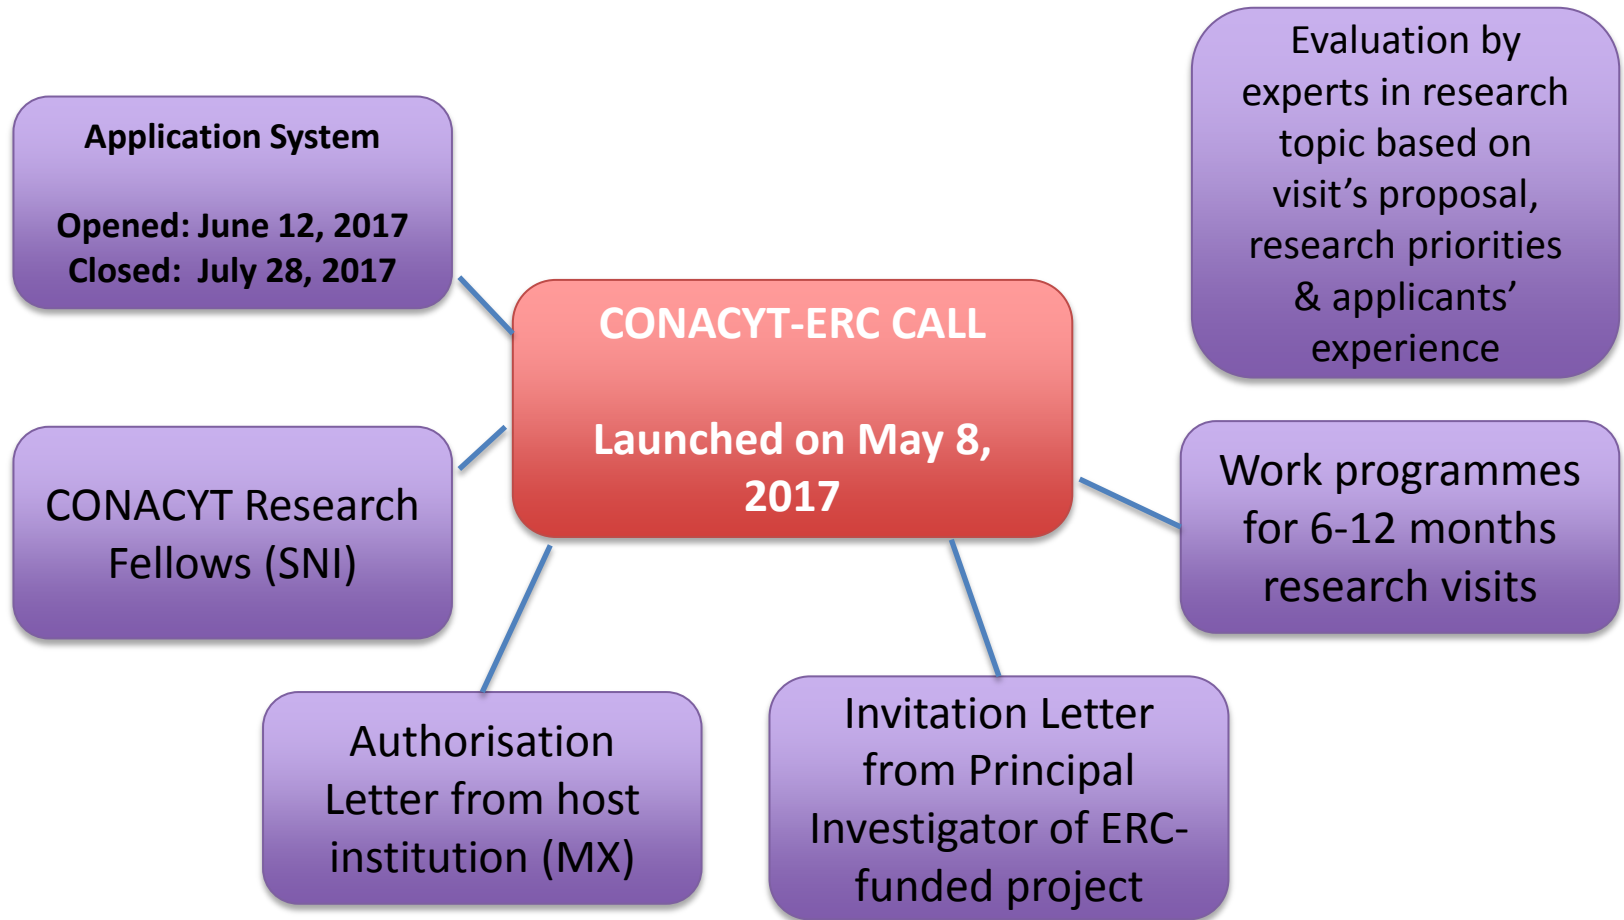

Germany (38)

Spain (31)

France (29)

Netherlands (26)

Italy (25)

CONACYT-ERC Call Statistics

- * CONACYT Research Fellows' expressions of interest: 55
- * Complete applications submitted online before closure: 7
- * Proposals that passed all administrative revisions: 5
- * Research proposals evaluated by experts: 5
- * Number of proposals recommended by experts for funding: 5

Research visits to Europe of Mexican scientists, funded by CONACYT

Research Disciplines

Oceanology

Physics (optics)

Geometry

Space

Electronic
engineering

ERC-funded teams

SCALEFORES -680176

FLATLIGHT – 639109

SYMPTOPODYNQUANT - 338809

NANOCOSMOS - 610256

HEART - 616344
